Dear CPA Parent(s) and Guardian(s),

Below you will find the Distance Learning Bell Schedule for the 2020-2021 school year. We have designed this schedule to ensure that students are getting the required instructional minutes needed to continue their learning at grade level. It is important to us that your child be engaged in a rigorous program, so that they are prepared for the next educational year and to avoid any learning loss.

Please make sure to go over this schedule with your child to ensure that they are ready to attend all of their classes via Zoom on the first day of school (August 17th @ 8:00am). Zoom links will be sent to your child's school email and will be posted on Google classroom. If your child does not attend the class session the school will call to verify attendance.

Expectations for students:

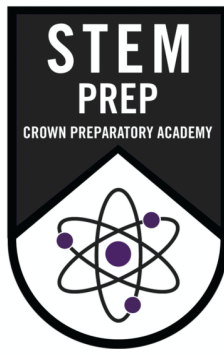

- Students will be required to attend & meet synchronously during all class periods Monday - Thursday.
 - The first 50 minutes students will work with their teachers as a whole class.
 - The 2nd 50 minutes is designed to support students in smaller groups and to increase collaboration amongst peers.
- Students are required to attend Mentorship daily (Monday-Friday, see schedule)
- On Friday's students are able to continue their work independently and have the option to meet with their teacher during the given time for additional support. Students should follow the bell schedule and structure their day accordingly.
